TC

TC IS A 131' SUNSEEKER THAT EFFORTLESSLY FUSES CONTEMPORARY AESTHETICS WITH MODERN DESIGN.

Exuding the charm of contemporary elegance, TC is akin to a lavish Hampton or a Malibu beachfront residence, thanks to interior design by Candy & Candy. TC's main salon and dining area epitomize opulence with its contemporary decor and immaculate, white-washed hardwood floors. Expansive windows treat guests to panoramic vistas that bridge the gap between the sea and the sky.

TC's full-beam master stateroom on the main deck features a spa-like en-suite bath complete with a lavish Jacuzzi soaking tub and opulent white marble touches. Two VIP double rooms and two twin rooms boast en-suite baths adorned with the same lavish white marble. In total, TC can comfortably host up to 10 guests. The aft deck is designed for relaxed seating, creating an ideal setting for socializing, complete with a full bar. The skylounge aft beckons with alfresco dining for 10-12 guests, complemented by a comfortable settee.
